Subject: FOIL -- NYS Independent Redistricting Commission's budget

TO: Records Access Officers
for the Senate, for the Assembly, for the Governor, for the Division of the Budget

This FOIL request is necessitated by the non-responsiveness of the [New York State Independent Redistricting Commission](#) to my below two e-mails to its co-executive directors, its deputy co-executive directors, and its two directors of public engagement, sent at 10:17 am on Friday, February 10th and 9:38 am on Monday, February 13th – with the latter e-mail also sent to its two assistant directors of engagement.

Pursuant to FOIL [Public Officers Law Article VI, Senate Rule XIV, Assembly Rule VIII], this is to request all publicly-accessible records reflecting:

- (1) why the Legislature's FY2022-23 budget that Temporary Senate President Stewart-Cousins and Assembly Speaker Heastie transmitted to Governor Hochul by their [December 1, 2022 coverletter](#) included (at pp. 1, 6, 10) the [Independent Redistricting Commission](#) – and, likewise, why their [December 1, 2021 coverletter](#) to Governor Hochul, transmitting the Legislature's FY2022-23 budget included (at pp. 1, 6, 10) the Independent Redistricting Commission;
- (2) why, for FY2021-22, the behind-closed-doors “three people in a room” – consisting of Governor Cuomo, Temporary Senate President Stewart-Cousins, and Assembly Speaker Heastie – popped a \$4,000,000 appropriation for the Independent Redistricting Commission into their [March 30, 2021 and April 3, 2021 amendings of the legislative portion of the FY2021-22 Legislative/Judiciary appropriation bill](#), moving it from the [State Operations appropriation bill](#), where Governor Cuomo had originally placed it;
- (3) whether, prior to the FY2021-22 budget, any appropriations were made for the Independent Redistrict Commission – and, if so, by which bills;
- (4) why, since redistricting is every ten years, is the FY2023-24 appropriation for the Independent Redistricting Commission back to the \$4,000,000 appropriated in FY2021-22 – represented, by the Legislature's FY2023-24 budget (at p. 1) as being a “restoration...to a full fiscal year of activity”;

- (5) how the \$4,000,000 was calculated as being needed for FY2023-24, considering, in the [FY2022-23 Legislative/Judiciary appropriation bill](#) (at p. 63), there was a whopping \$2,641,106 left over for “reappropriation” from the FY2021-22 appropriation of \$4,000,000;
- (6) Why, since the [FY2023-24 Legislative/Judiciary appropriation bill](#) (at pp. 71-72) contains \$2,838,050 left over for “reappropriation” from FY2021-22 and FY2022-23, those reappropriated funds were not deducted from the \$4,000,000 needed for the Independent Redistricting Commission for FY2023-24, if it was actually needed.

Thank you.

Subject: AGAIN: Questions about the NYS Independent Redistricting Commission's budget

TO: [NYS Independent Redistricting Commission Co-Executive Directors Karen Blatt & Douglas Breakell](#)

I have received no response to my below e-mail, sent Friday morning, and am therefore re-sending it.

As my February 10th e-mail had cc'd your deputy co-executive directors and your directors of public engagement, but NOT your assistant directors of (public) engagement, I am cc'ing those assistant directors who I thought unnecessary to include in my initial e-mail.

Please let me hear from someone as soon as possible.

Thank you.
