Dear Asst. Deputy Counsel/Interim FOIL Officer Siudzinski,

Thank you for your below November 9th response.

Are you certain of your answer that the OCA has “no documents responsive to categories 1 and 2”?

As for “category 3”, the answer is yes, I seek both “IG budget requests for 2007 to present” AND “the salary information for the Inspector General and Dep. Inspector General.”

Again, thank you – and welcome to your interim position.

Dear Elena Sassower,

This is in response to you FOIL request below, seeking 3 categories of documents:

- (1) your written guidelines and procedural rules for handling complaints received from members of the public, including any requirement that complaints be assigned numbers for accountability purposes;
- (2) annual reports you have rendered each year since 2012 – or statistical summaries – reflecting your dispositions of complaints received from members of the public;
- (3) your written requests to the Unified Court System for appropriations to fund its office of Inspector General, each year since 2007 – and reflecting your salary and that of Deputy Inspector General Carol Hamm.

Please be advised that we have no documents responsive to categories 1 and 2. Concerning category 3, please clarify whether you seek the IG budget requests for 2007 to present, or the salary information for the Inspector General and Dep. Inspector General. Please be advised that the IG budget requests do not

include the salary information you have requested, however, we can provide a payroll history for both individuals in lieu thereof.

I look forward to your response and my apologies for the delay.

Kind regards,

Michael Siudzinski
Assistant Deputy Counsel
Interim FOIL Officer

Subject: UPDATE & RECORDS REQUEST -- CJA's unresponded-to Aug. 27, 2021 complaints vs 1st & 3rd Dept. Appellate Division Attorney Grievance Committee Chief Attorneys Dopico & Duffy

TO: Unified Court System Inspector General Sherrill Spatz, ESQ.

A month has passed since I sent you my below August 27, 2021 e-mail with the two above-attached complaints against First Department Attorney Grievance Committee Chief Attorney Jorge Dopico and against Third Department Attorney Grievance Committee Chief Attorney Monica Duffy. I have received

no acknowledgment of receipt and, contrary to the instructions at the top of your complaint forms, I have not been “contacted by a member of [your] staff responsible for investigating [these] complaint[s]”.

On September 1st, I called your office (646-386-3500), inquiring about when I would be receiving an acknowledgment and your protocol for complaints. Court Analyst Eva Moy picked up the phone (3:50 p.m.), told me it was not necessary to re-send the complaints, and assured me my message would be passed on to you.

Did you get that message – and what have you done, during the past month, to investigate my August 27th complaints?

By way of update, when I filed my complaint against Chief Attorney Duffy, I was unaware that two days earlier, on August 25th, she had sent me two letters. One was entitled [“Notice of Declination to Investigate a Complaint”](#) and purported that the Third Department Attorney Grievance Committee was “unable to assist [me]” with regard to three of four complained-against attorneys. The [other](#) informed that the fourth attorney was within the jurisdiction of the Second Department Attorney Grievance Committee for the Tenth Judicial District, to which my complaint had been transferred.

It was only on September 17th, upon doing a search of my inbox, preliminary to writing you, that I discovered these two letters and, additionally, a [September 15, 2021 letter of Tenth Judicial District Attorney Grievance Committee Staff Attorney Rachel Merker](#) purporting that that Committee was “unable to assist [me]” with respect to the transferred complaint.

I responded to these by a [September 20, 2021 letter to the Chair of the Third Department Attorney Grievance Committee](#) and by a [September 24, 2021 letter to Tenth Judicial District Attorney Grievance Committee Chief Counsel Catherine Sheridan](#).

In keeping with the Unified Court System’s [“Mission Statement”](#) of “operating with integrity and transparency”, posted on your [homepage](#), kindly furnish me with:

- (1) your written guidelines and procedural rules for handling complaints received from members of the public, including any requirement that complaints be assigned numbers for accountability purposes;
- (2) annual reports you have rendered each year since 2012 – or statistical summaries – reflecting your dispositions of complaints received from members of the public;
- (3) your written requests to the Unified Court System for appropriations to fund its office of Inspector General, each year since 2007 – and reflecting your salary and that of Deputy Inspector General Carol Hamm.

By copy of this e-mail to OCA Records Access Officer Shawn Kerby, I request same pursuant to §124 of the Chief Administrator’s Rules [FOIL] – and herewith furnish, as illustrative of the kind of written guidelines and procedural rules for complaints that I am here seeking, the New York City Department of Investigation’s Manual, Section 200, entitled “Complaint Intake; Opening and Tracking Procedures”.

Thank you.
