RE: “Draining the Swamp” – as President Trump promised: CJA’s October 16, 2020 FBI complaint vs NY Governor Cuomo, Attorney General James – & all NY’s other highest constitutional officers in its 3 government branches for fraud and larceny pertaining to their pay raises and the state budget – embodied in 62 public corruption/grand jury complaints that NY’s district attorneys are “sitting on”, in furtherance of their own D.A. pay raises

So that you can make good on President Trump’s promise to “drain the swamp” before the incoming administration presumably replaces you, I herewith file with you, for investigation and prosecution, the criminal complaint I filed with the FBI, *via* its website, on October 16, 2020 (Exhibit A) – at the instruction of the office of Acting U.S. Attorney for the Northern District of New York Antoinette Bacon.

My phone calls to Acting U.S. Attorney Bacon’s office on that date – and my request to Acting U.S. Attorney Bacon, 2-1/2 weeks later, for her supervisory oversight – are set forth by my November 4, 2020 letter to her (Exhibit B), to which I have received no response.

At issue are 62 materially-identical public corruption/grand jury complaints I filed with the 62 district attorneys of New York State – the most important being the first, filed on June 4, 2020 with Albany County District Attorney P. David Soares (Exhibit C), who has been “sitting on” it. All 62 complaints – and the EVIDENCE substantiating them – are posted on CJA’s website, www.judgewatch.org, accessible from the top panel “Latest News”, featuring a webpage for this complaint entitled “Bringing in the Feds...”. The direct link is: <http://www.judgewatch.org/web-pages/searching-federal/oct-16-2020-complaint-to-fbi-us-att-bacon.htm>.

As the EVIDENCE substantiating the 62 public corruption/grand jury complaints – and October 16, 2020 FBI complaint based thereon – is open-and-shut and *prima facie* for indicting and convicting the highest constitutional officers of New York's three government branches, starting with the Governor, Lieutenant Governor, Attorney General, Comptroller, Temporary Senate President, Assembly Speaker, and all seven New York Court of Appeals judges – plus all 62 county district attorneys – for public corruption, including fraud and larceny with respect to the state budget and their own salaries, will you contact the FBI and U.S. Attorney Bacon as to the status of their investigation of my October 16, 2020 complaint?

Please advise – and as soon as possible, as I will be furnishing the October 16, 2020 complaint to incoming President Biden and the U.S. Senate in connection with their respective appointments and confirmations of U.S. Attorneys for the four districts of New York and of the U.S. Attorney General. No nominee may be deemed fit to hold such pre-eminent positions of public trust and law enforcement who does not assure prosecutions based on the October 16, 2020 complaint – and claw-backs of the half-billion dollars in fraudulent salary raises already paid out.

Thank you.
