TO: Public Integrity Bureau Chief-Assistant District Attorney Marc Lindemann/Office of Suffolk County District Attorney Sini

This follows my phone conversation a short time ago with your secretary Maureen, who called me back in response to the voice mail message I left yesterday morning (631-853-4626), shortly before sending the below e-mail to D.A. Sini and to the generic e-mail of the Suffolk County D.A. That e-mail describes what I explained to Maureen – and attaches my June 10th public corruption/grand jury complaint to D.A. Sini – the same complaint as I showed Maureen, posted on CJA's website, here: <http://www.judgewatch.org/web-pages/searching-nys/2020-legislative/da-complaints-to-soares-plus-61-more.htm> -- with the evidence substantiating it, here: <http://www.judgewatch.org/web-pages/searching-nys/2020-legislative/grand-juries.htm>.

Please note that in retrieving the below e-mail to forward you, I discovered I had inadvertently not attached the FOIL/information request it indicates. This I now attach – the same as I had e-mailed yesterday morning, at 9:26 am, to FOIL.DA@suffolkcountyny.gov.

I will now re-send to D.A. Sini and to the generic Suffolk County e-mail address, my yesterday's e-mail with the FOIL/information request attached – not indicating my contact with you, by this e-mail.

I am available to be interviewed, under oath, and to assist the Public Integrity Bureau, to the max, so that it can achieve the mission identified by the D.A.'s webpage for it: <https://www.suffolkcountyny.gov/da/About-the-Office/Bureaus-and-Units/Public-Integrity-Bureau>:

“The mission of the **Public Integrity Bureau** is to promote honest government. This is done by investigating and, when appropriate, prosecuting criminal conduct committed by elected and appointed officials, government employees, and those doing business with the County, towns and villages in Suffolk County. Examples of conduct handled by the Bureau are bribery, extortion, fraud, embezzlement and abuse of authority. The Public Integrity Bureau is a critical part of maintaining the public's trust in government and ensuring that all people are treated fairly under the law.”

Thank you.

TO: Suffolk County District Attorney Timothy Sini

I have just discovered that the below e-mails I sent you, attaching the above June 10, 2020 public corruption/grand jury complaint, bounced back because I had inadvertently added an extra period to the e-mail address I had found for you on DAASNY's website. Your own Suffolk County DA website posts no e-mail address for you or for your Public Integrity Unit: <https://suffolkcountyny.gov/da/Contact-Us>.

In addition to the above attached June 10, 2020 public corruption/grand jury complaint – with its substantiating webpage: <http://www.judgewatch.org/web-pages/searching-nys/2020-legislative/grand-juries.htm> -- which I trust will now reach you, I have today filed a FOIL/information request pertaining to: (1) the functioning of the Suffolk County district attorney's office & performance of its duties with respect to public corruption complaints filed by members of the public; and (2) access to the Suffolk County grand jury... – to which you are a cc. It is also above-attached.

Thank you.

Please supersede the corruption/grand jury complaint sent yesterday, by the below e-mail, with the attached, correcting typos and making other essentially minor changes. Apologies for the inconvenience.

Thank you.

My yesterday's e-mail to you inadvertently failed to annex the indicated FOIL/information request that I had filed with your office. It is now attached in this re-sending of the e-mail, which is below.

Apologies.
