**TO: Monroe County District Attorney Sandra Doorley**

I have received no acknowledgment or other response to my above-attached June 18, 2020 public corruption/grand jury complaint against Monroe County state legislators, which I sent you by the below e-mail, with a direct link to the substantiating evidentiary webpage: <http://www.judgewatch.org/web-pages/searching-nys/2020-legislative/grand-juries.htm>.

As the complaint presents evidence so *prima facie* and open-and-shut as to leave no doubt that a grand jury would speedily indict – and a trial jury speedily convict – the complained-against state legislators and their accomplices, your nonfeasance raises reasonable questions as to your performance with respect to *other* public corruption complaints filed by *other* members of the public. To help answer these questions, I have today filed a FOIL/information request with Monroe County's records access officer – to which you are cc'd. It is attached.

Thank you.
