Subject: Reasonable questions arising from your nonfeasance with respect to the June 13, 2020 corruption complaint in support of grand jury inquiry, pursuant to Article I, §6 of the NYS Constitution, of Montgomery County state legislators...

TO: Montgomery County District Attorney Kelli McCoski

I have received no acknowledgment or other response to my June 13, 2020 public corruption/grand jury complaint against Montgomery County state legislators, which I sent you by the below e-mail, with a direct link to the substantiating evidentiary webpage: <http://www.judgewidth.org/web-pages/searching-nys/2020-legislative/grand-juries.htm>.

As the complaint presents evidence so prima facie and open-and-shut as to leave no doubt that a grand jury would speedily indict - and a trial jury speedily convict - the complained-against state legislators and their accomplices, your nonfeasance raises reasonable questions as to your performance with respect to other public corruption complaints filed by other members of the public. To help answer these questions, I have today filed a FOIL/information request with Montgomery County's Records Access Officer & County Clerk Brittany Kolbe. A copy is attached.

Thank you.
