Subject: Reasonable questions arising from your nonfeasance: June 10, 2020 corruption complaint in support of grand jury inquiry, pursuant to Article I, §6 of the NYS Constitution, of Nassau County state legislators...

TO: Nassau County District Attorney Madeline Singas

I have received no acknowledgment or other response to my June 10, 2020 public corruption/grand jury complaint against Nassau County state legislators, which I sent you by the below e-mail, with a direct link to the substantiating evidentiary webpage: <http://www.judgewatch.org/web-pages/searching-nys/2020-legislative/grand-juries.htm>. Likewise, I have received none from your Public Corruption Bureau to whose chief, Assistant District Attorney Christine Malone, I also sent the complaint, following her call back, on June 11th, to a voice mail message I had left with the Bureau (516-571-2100).

As the complaint presents evidence so *prima facie* and open-and-shut as to leave no doubt that a grand jury would speedily indict – and a trial jury speedily convict – the complained-against Nassau County state legislators and their accomplices, this nonfeasance raises reasonable questions as to how you and your Public Corruption Bureau perform with respect to *other* public corruption complaints filed by *other* members of the public. To help answer these questions, I have today filed a FOIL/information request with your office. It is attached.

Thank you.
