Re: Freedom of Information Law Request
RCDA FOIL #: 76-2020

Dear Ms. Sassower,

This letter is to acknowledge receipt of your FOIL Request dated, July 29, 2020, received July 29, 2020. You seek records relating to public corruption complaints received by the Richmond County District Attorney's Office. Although we are working on locating the responsive records, as a result of the unprecedented public health emergency, which has necessitated on site staffing reductions, we are unable estimate a time by which this office will be able to address it. Please be assured that upon the resumption of normal operations, your request will be handled in the normal course

Please be advised that we will compile a list of those record(s) available, along with each document's cost. These record(s) are available to you at the cost of \$0.25 per page for black & white copies; \$0.75 per page for color copies; \$5.00 per CD (audio); and \$15.00 per DVD (video), payable by check or money order to the "Richmond County District Attorney's Office" for the appropriate amount.

Sincerely,

Shemika Maisonneuve
