**Subject:** RE: Reasonable questions arising from your nonfeasance: June 22, 2020 public corruption complaint in support of grand jury inquiry, pursuant to Article I, §6 of the NYS Constitution, of Schuyler County state legislators...

Ms. Sassower:

I have received your complaint and FOIL request copy. I presume the County Manager will forward your FOIL request to me to assist in his response. I will provide a timely response to him, if and when, he asks for my assistance. I will review your complaint at my earliest convenience and determine, what, if any, further action to take. Unfortunately, we have a significant backlog of cases in this very small county due to courts and Grand Juries being shut down due to Covid-19. I suspect that I will not be able to get to your very complicated complaint until October. If you have any questions or concerns in the meantime, please feel free to send me another email.

Joe

**TO: Schuyler County District Attorney Joseph Fazzary**

I have received no acknowledgment or other response to my above-attached June 22, 2020 public corruption/grand jury complaint against Schuyler County state legislators, which I sent you by the below e-mail, with a direct link to the substantiating evidentiary webpage: <http://www.judgewatch.org/web-pages/searching-nys/2020-legislative/grand-juries.htm>.

As the complaint presents evidence so *prima facie* and open-and-shut as to leave no doubt that a grand jury would speedily indict – and a trial jury speedily convict – the complained-against state legislators and their accomplices, your nonfeasance raises reasonable questions as to your performance with respect to *other* public corruption complaints filed by *other* members of the public. To help answer these questions, I have today filed a FOIL/information request with Schuyler County Record Access Officer/County Administrator Timothy O’Hearn – to which you are cc’d. It is attached.

Thank you.
