TO: SUNY System Administration – Records Access Officer Winnie Yu

Pursuant to FOIL (Public Officers Law VI)), this is to request records identifying the SUNY office responsible for the integrity of SUNY scholarship and teaching – and to which complaints of false, deficient, and non-existent SUNY scholarship and teaching may be filed – and contact information.

This is also to request records establishing whether and where SUNY offers courses on the New York State Constitution, *as written and as applied*, including as to the interpretation of the New York State Constitution by the New York Court of Appeals – and records as to the names of the SUNY scholars and professors who are purported to be SUNY's experts on the New York State Constitution, engaged in evidence-based scholarship.

Thank you.
