**TO: [David Lansner, Esq./Co-Chair – NYS Citizen Review Panel for Child Protective Services](#)**

Thank you for your powerful testimony at the November 1<sup>st</sup> [Senate oversight hearing on the Family Courts](#) – and the civil rights actions you have brought on behalf of victims and to make change.

I am the director and co-founder of the non-partisan, non-profit citizens' organization [Center for Judicial Accountability, Inc. \(CJA\)](#), which, for decades, has been bringing strategic litigations “on behalf of the People of the State of New York & the Public Interest”. Indeed, I believe that because those litigations so-devastatingly particularized the EVIDENCE of New York’s corrupted courts – and of the collusion and cover-up of those charged with oversight, such as the senators – that I was denied my request to testify

about "[Family Court corruption, covered up by supervisory, appellate, & ethics authorities & other courts, etc.](#)" at the November 1st hearing.

You can assess my testimonial capacity about Monroe County Family Court, covered up by Monroe County Supreme Court & the Appellate Division, Fourth Department – and Statewide Coordinating Judge for Family Court Matters Rivera's knowledge thereof, prior to testifying at the November 1st hearing – by the above-attached October 25, 2023 complaint, which I sent, expressly for him and Chief Administrative Judge Zayas, by the below e-mail.

I would appreciate your reviewing it – and letting me know your thoughts about a §1983 federal action based thereon. I have requested the same of David Shalleck-Klein, by the below two e-mails, but have not received any response to that question – or to my further question as to his "experience – and those of other Family Court litigating attorneys – in filing complaints with the Commission on Judicial Conduct, Attorney Grievance Committees, and the OCA IG." I'd be grateful for your response to this, as well.

Please call me, when convenient.

Thank you.

I have received no response to my below November 2<sup>nd</sup> e-mail. Has it been overlooked?

Looking forward to hearing from you, soon. Are you aware that your written testimony, with its Exhibit A, has still not been posted on the [Senate's webpage for the November 1<sup>st</sup> hearing](#)?

Thank you.

Thank you for your powerful testimony yesterday at [the Senate's oversight hearing on the Family Courts](#).

I would appreciate your reviewing it – and letting me know your thoughts about a §1983 federal action based thereon.

Also, I would very much like to see the Exhibit A pertaining to your correspondence with the OCA supervisory echelons to which you referred when you testified yesterday, but which is [not yet posted](#), nor your written testimony of which it is part. Also, what is your experience – and those of other Family Court litigating attorneys – in filing complaints with the Commission on Judicial Conduct, Attorney Grievance Committees, and the OCA IG?

Please call me, when convenient.

Thanks.

Above-attached & here linked is my "Corruption Complaint against Judges, Government-Attorneys, & Government-Retained Attorneys Arising from a Fraudulent, Culturally-Biased Child Abuse/Neglect Petition against Innocent Parents". Its "Conclusion" (at p. 29) reads:

"The foregoing long-overdue complaint is being furnished, additionally, to the Commission on Legislative, Judicial and Executive Compensation, before which I testified on October 13, 2023, handing up a copy of the Independent Expert Report [link removed], in substantiation of my testimony as to the corruption infesting the judiciary – a threshold, 'appropriate factor' of constitutional dimension that it is statutorily-required to 'take into account'. My words were as follows ([VIDEO, at 2hrs/45mins](#)):

'Lastly, I don't want you to believe that the corruption infesting the judiciary is only in cases of magnitude such as the cases that I have here presented. I have a, a independent report that I wrote about a Family Court case out of Monroe County, a mother called me in distress because her child had been taken away from her. And she begged me to assist her. Without charge, I, I examined the record -- and I wrote a report that was furnished, it's a sealed file. I think you should take a look at what goes on, and you should know this is only the first piece of it. But the corruption involving this report at the Family Court level, at the Appellate Division Fourth Department from which you come, Chair Fahey, you need to take testimony. You have subpoena power. You need to – you need to examine the corruption in the judiciary –'

The only correction I would make is to add a reference to the corresponding corruption in the Monroe County Supreme Court pertaining to the Independent Expert Report.

As [the Commission on Legislative, Judicial and Executive Compensation's enabling statute requires you to assist the Commission, upon its request](#),<sup>fn3</sup> perhaps that is the most expeditious way for it to proceed – requesting that you furnish it with the results of the investigation that is your duty to make with respect to this fully-documented, facially-meritorious complaint.”

I am available to assist you, to the max, in investigating this complaint – and would welcome giving testimony under oath. I know the innocent parents feel likewise.

Meantime, CJA's webpage for the complaint – which cannot otherwise be accessed, out of respect for the parents' privacy – can be reached by this link: xxx.

Thank you.
