Subject: Polizette v. The New York Times: Polizette wins -- & it's not even close!

Message: Your Oct. 30th news article by Brendan Kirby, "Manafort Prosecutor Has a History of Bullying, Withholding Information Critics Say", is focally presented in a letter sent yesterday to The New York Times demonstrating its October 31th news article "Andrew Weissmann, Mueller's Legal Pit Bull" to be "rigged to mislead the public that Andrew Weissmann is ethical and honest."

The letter, from our non-partisan, non-profit citizens' organization, Center for Judicial Accountability, Inc. (CJA), calls upon The Times to promptly and publicly explain its "fake news" and "journalistic fraud" -- and to take corrective steps. It is posted on CJA's website, www.judgewatch.org, accessible from the top panel "Latest News". The direct link is here: <http://www.judgewatch.org/web-pages/press-fake-news/andrew-weissmann.htm>.

I am available to be interviewed and to assist you, to the max, in investigating and reporting this major story.

Thank you.
