My below April 16th e-mail – to which you are cc recipients -- came back as “exceed[ing] fixed maximum message size”. I am therefore resending it to you, without its three attachments: my written statements in support of my oral testimony on January 30, 2018, February 2, 2018, and February 5, 2018 – all easily accessible *via* CJA’s menu page for the 2018 Legislative Session, here: <http://www.judgewatch.org/web-pages/searching-nys/2018-legislature/menu-2018-legislative-session.htm>.

TO: Luke Parsnow/SYRACUSE NEW TIMES commentator & CNY CENTRAL digital producer

I was surprised and disappointed to have received no response from you to my below March 7th e-mail entitled "'The Media's Agenda' -- It's NOT about truth-- and I can prove it. Will you report -- and break a MAJOR news story that will upend this year's electoral races for governor, attorney general, comptroller, & every legislative seat?" Why is that?

If you have not read my March 7th e-mail to you, nor watched the VIDEOS of my testimony at the Legislature’s January 30, 2018 and February 5, 2018 budget hearings: <http://www.judgewatch.org/web-pages/searching-nys/2018-legislature/menu-2018-legislative-session.htm> – please do so, now – for the first time – as it is germane to ALL your subsequent Syracuse New Times “Things that Matter” commentary:

on March 28, 2018, "[Little 'lulus' add up in state Senate stipend cash grab](#)";
