Following up your participation last fall in the symposium on “Telling the Truth in a Post-Truth World”, how can we find journalists to investigate and report on the below, politically-explosive story? Can you circulate it among your journalism students – and those of your colleagues? Thank you.

What's happening behind-the-scenes of tonight's debate between Democratic candidates for attorney general?

Below is the e-mail, sent this morning, to all four Democratic attorney general candidates, calling upon them to refute the EVIDENCE of their brazen lies & distortion of the attorney general's constitutional function. The explicating e-mail sent two days ago to debate co-moderators Errol Louis and Liz Benjamin of Spectrum News is beneath it – and below it, two prior e-mails to them, all with the above three attachments.

All four e-mails – and the EVIDENCE in substantiation – are posted on the Center for Judicial Accountability's webpage entitled: “The Posturing Liars who are the Four Attorney General Candidates for the Democratic Party Line”. The direct link is here:

Please do your part to discharge your own constitutional function to investigate and inform the public – and forward this to your TOP editors for their review and evaluation.

I am available to assist you, to the max.

Thank you.
