Subject: Request for Legislative Gazette investigation & report of CJA's citizen-testimony at the Legislature's Jan. 30, 2018 and Feb. 5, 2018 budget hearings

TO: Melanie Zerah, Assistant Editor/Legislative Gazette

Following up our phone conversation a short time ago, here's the link to the "2018 Legislative Session" MENU page of the Center for Judicial Accountability's website, www.judgewatch.org, from which you can access the VIDEOS of my testimony at the Legislature's January 30, 2018 budget hearing on "public protection" and at its February 5, 2018 budget hearing on "local government officials/general government" – as well as the EVIDENCE substantiating my testimony: <http://www.judgewatch.org/web-pages/searching-nys/2018-legislature/menu-2018-legislative-session.htm>.

To date, there has been NO press report of my explosive testimony on either date -- let alone investigation thereof.

Shouldn't The Legislative Gazette – by its student interns, of which you are one – take the lead?

More to follow.

Thank you.
