I left a voice mail message for you a short time ago regarding your just published article, "[Assembly Speaker Makes Case for Legislative Pay Raise](#)". It appears that I was the only speaker at the hearing of the Compensation Committee that you omitted from your article. Is that correct? Is it your opinion that I said nothing of value that warranted inclusion? And did you read my testimony, posted on CJA's website, to which I referred? It is attached, for your convenience.

Please call me - when you are back at work. It that is not over the weekend, then, presumably, on Monday.

Thank you.
