Subject: Were SUNY Board of Trustees' members furnished with my Aug 14th e-mail as to Mr. Malatras' unfitness to be chancellor -- & the unlawfulness of the "confidential search"?

TO: SUNY Board of Trustees
Gwen Kay/President – Faculty Senate
Christy Fogal/President – Faculty Council of Community Colleges
Jahad Hoyte/President – Student Assembly
Edward Spiro, Esq.
Eric Corngold, Esq.

Based on yesterday's Albany Times Union article "SUNY poised to name Cuomo loyalist Malatras as chancellor" and Monday's New York Post article, "SUNY Board set to appoint Cuomo right-hand Jim Malatras next chancellor: source", it appears that members of the Board of Trustees are unaware of my below two e-mails, sent to Board staff late Friday afternoon, August 14th, and early Monday morning, August 17th, **particularizing, with proof**, that the Board's purported "confidential search" for a chancellor involving Mr. Malatras is unlawful, violating Public Officers Law §74, and that he is a corrupt public officer who must be categorically rejected.

Am I correct in surmising that Board staff did not distribute either e-mail to you – and that you were, instead, pushed into meetings to approve Mr. Malatras' appointment? Indeed, prior to sending the August 14th e-mail, I spoke with Board Coordinator Pamela Morrison (cell: 518-888-4650), who promised to both confirm the e-mail's receipt AND, following preliminary review by staff, its distribution to the Board. The only confirmation I received was as to the e-mail's receipt – and it is above attached.

As you are the only Board members whose e-mail addresses I was able to find on the internet, I ask that you immediately forward this e-mail to the Board's other members – and place it on the agenda of today's meeting at which Mr. Malatras' appointment as chancellor is expected to be approved.

I am available to assist you – and will, meantime, forward this e-mail to the press and other appropriate parties for investigation and report as to who, at SUNY, reviewed the August 14th and August 17th e-mails, upon receipt, whether
