**Subject: Buffalo Rising's Political Coverage -- 2020 elections: NY-27 congressional seat & Buffalo's state Senate, Assembly & D.A. races**

Your website states that Buffalo Rising is "[an] independently owned and operated digital publication that "provides editorial and critical reviews on all topics that relate to Buffalo, NY".

If so, where is your political coverage? I see no tab for it -- and, with respect to the BIG story about candidates seeking to fill the vacancy for the NY-27 congressional seat, about the "process" of candidate selection by the political parties, and about the scheduling of the special election, now slated for April 28 -- I cannot find any stories on your website.

Please advise, as I have politically-explosive information and evidence to contribute to your investigative journalism about Senators Chris Jacobs and Robert Ortt relating to the NY-27 congressional seat -- and about Buffalo's other Senators and Assembly members, all of whose seats are on the ballot in 2020 - - and about the office of Erie County District Attorney, also on the 2020 ballot.

Thank you.
