I have just learned about Metric Media – and commend you on providing “objective, data-driven information without political bias” that is 100% original reporting”.

Below, with the above-attached, is the FULLY-DOCUMENTED, time-sensitive election story I furnished other Onondaga County “local journalism” more than a month ago – which, without explanation, they have not reported. Will you?

I am available to assist you in breaking this MAJOR news story – and invite you to call me, no matter how early or late – and over the weekend -- with your questions.

Thank you.
