Allegany County's two state legislators – both seeking re-election – are the subjects of a **fully-documented** public corruption/grand jury complaint, filed with Allegany County District Attorney Slep, who is “sitting on” it. Among other things, the complaint involves the “force of law” commission/committee scheme that has given pay raises to all of them.

The June 22, 2020 complaint, by the Center for Judicial Accountability, Inc. (CJA), is above-attached – and below are the e-mails transmitting it and the also attached July 29, 2020 FOIL request to D.A. Slep. CJA's substantiating evidentiary webpage for the complaint is here: <http://www.judgewatch.org/web-pages/searching-nys/2020-legislative/grand-juries.htm>.

As stated by the complaint, Allegany County voters are entitled to know that their state legislators are unfit for re-election because they must be indicted for larceny and other corruption on EVIDENCE so DISPOSITIVE as to assure convictions.

To enable Allegany County voters to assess, for themselves, the open-and-shut, *prima facie* EVIDENCE that D.A. Slep has been withholding from an Allegany County grand jury to maintain his own fraudulently-boosted salary, paid by Allegany County taxpayers, please accompany your story with links to the complaint and the evidentiary webpage.

As you will doubtless call the complained-against two state legislators and D.A. Slep for comment about the complaint, I am cc'ing them on this e-mail so that they can be prepared. What, if anything, do they deny or dispute. Let them start where the complaint starts: [my July 16, 2019 e-mail to the Legislature's 15 stipend-receiving leaders](#) requesting that they forward it to the 198 other legislators, with its attached [July 15, 2019 written NOTICE](#) and [substantiating analysis](#) that the [December 10, 2018 Report of the Committee on Legislative and Executive Compensation](#) – raising their legislative salaries from \$79,500 to \$110,000 – was “a **fraud** on the People of the State of New York – and a **larceny** of their tax dollars’, violating a succession of penal laws, and that their duty was to void it, to return the pay-raise monies they had already received, and to initiate criminal prosecutions of the Committee’s four members and abetting attorneys.” The analysis is 46 pages, excluding [exhibits](#). Will they furnish you with their findings of fact and conclusions of law? If not, I’m sure ordinary Allegany County citizens would be able to help you with what is obvious.

I am available to answer your questions and assist you, to the max -- on a story not only upending the identical state legislative races in Allegany and Cattaraugus Counties, but, additionally, ALL New York’s other state legislative races and its 15 D.A. races – and **that’s for starters**.

Thank you.

**Subject: Reasonable questions arising from your nonfeasance: June 22, 2020 public corruption complaint in support of grand jury inquiry, pursuant to Article I, §6 of the NYS Constitution, of Allegany County state legislators...**

**TO: Allegany County District Attorney Keith Slep**

I have received no acknowledgment or other response to my above-attached June 22, 2020 public corruption/grand jury complaint against Allegany County state legislators, which I sent you by the below e-mail, with a direct link to the substantiating evidentiary webpage: <http://www.judgewatch.org/web-pages/searching-nys/2020-legislative/grand-juries.htm>.

As the complaint presents evidence so *prima facie* and open-and-shut as to leave no doubt that a grand jury would speedily indict – and a trial jury speedily convict – the complained-against state legislators and their accomplices, your nonfeasance raises reasonable questions as to your performance with respect to *other* public corruption complaints filed by *other* members of the public. To help answer

these questions, I have today filed a FOIL/information request with Allegany County Records Access Officer/Clerk of the Board Brenda Rigby Riehle – to which you are cc'd. It is attached.

Thank you.
