News 12 – Westchester

Westchester County's 14 state legislators – 12 running for re-election, including Senate Majority Leader Stewart-Cousins – are the subjects of a **fully-documented** public corruption/grand jury complaint, filed with Westchester County District Attorney Scarpino, who has been "sitting on" it. The complaint involves the "force of law" commission/committee scheme that gave all 15 of them pay raises – and a legislature not operating at a remotely constitutional level.

The June 10, 2020 complaint, by the Center for Judicial Accountability, Inc. (CJA), is above-attached – and below are the e-mails transmitting it and the above-attached July 28, 2020 FOIL request to D.A. Scarpino. CJA's substantiating evidentiary webpage for the complaint is here: <http://www.judgewatch.org/web-pages/searching-nys/2020-legislative/grand-juries.htm>.

As stated by the complaint, Westchester County voters are entitled to know that their state legislators cannot be re-elected because they must be indicted for larceny and other corruption on EVIDENCE so DISPOSITIVE as to assure convictions. So, too, retiring Senator Carlucci and Assemblyman Buchwald, each defeated in the primary for Nita Lowey's congressional seat.

To facilitate your inquiries of the complained-against state legislators and D.A. Scarpino, I am cc'ing them on this e-mail. What, if anything, do they deny or dispute. Let them start where the complaint starts: [my July 16, 2019 e-mail to](#)

Senate Majority Leader Stewart-Cousins and the Legislature's 14 other stipend-receiving leaders requesting that they forward the e-mail to the 198 other state legislators, with its attached July 15, 2019 written NOTICE and substantiating analysis establishing that the December 10, 2018 Report of the Committee on Legislative and Executive Compensation – raising their legislative salaries from \$79,500 to \$110,000 – is “a **fraud** on the People of the State of New York – and a **larceny** of their tax dollars’, violating a succession of penal laws, and that their duty was to void it, to return the pay-raise monies they had already received, and to initiate criminal prosecutions of the Committee’s four members and abetting attorneys.” The analysis is 46 pages, excluding exhibits. Will they furnish you with their findings of fact and conclusions of law? If not, I’m sure ordinary Westchester County citizens would be able to help you with what is obvious. Just accompany your story with links to the complaint and the evidentiary webpage so that they can see for themselves the open-and-shut, *prima facie* EVIDENCE that D.A. Scarpino has been withholding from a Westchester County grand jury to maintain his own fraudulently-boosted D.A. salary, paid by Westchester County taxpayers.

I am available to answer your questions and assist you, to the max -- on a story not only upending Westchester County’s state legislative and D.A. races, but, additionally, ALL New York’s other state legislative races and its 14 other D.A. races – and **that’s for starters**.

Thank you.

Subject: Reasonable questions arising from your nonfeasance: June 10, 2020 public corruption complaint in support of grand jury inquiry, pursuant to Article I, §6 of the NYS Constitution, of Westchester County state legislators...

TO: Westchester County District Attorney Anthony Scarpino

I have received no acknowledgment or other response to my above-attached June 10, 2020 public corruption/grand jury complaint against Westchester County state legislators, which I sent you by the below e-mail, with a direct link to the substantiating evidentiary webpage: <http://www.judgewatch.org/web-pages/searching-nys/2020-legislative/grand-juries.htm>.

As the complaint presents evidence so *prima facie* and open-and-shut as to leave no doubt that a grand jury would speedily indict – and a trial jury speedily convict – the complained-against Westchester County state legislators and their accomplices, your nonfeasance raises reasonable questions as to your performance with respect to *other* public corruption complaints filed by *other* members of the public. To help answer these questions – and comparable questions about your D.A. Office, to which, on June 11th, I also e-mailed the complaint to the address specified by your D.A. website, <https://www.westchesterda.net/contact-us/complaint-form>, I have today filed a FOIL/information request with your FOIL Officer – to which you are cc’d. It is attached.

Thank you.

Subject: Superseding CORRUPTION COMPLAINT in support of grand jury inquiry, pursuant to Article I, §6 of the NYS Constitution, of Westchester County state legislators for "wilful misconduct in office", including larceny & fraud...

TO: Westchester County District Attorney Anthony Scarpino

The Westchester County Courthouse would not allow me entry to deliver original documents, which I sought to do earlier today.

Please supersede the corruption/grand jury complaint I sent you yesterday by the below e-mail, with the above-attached, correcting typos and making other essentially minor changes. Apologies for the inconvenience.

Thank you.
