RE: your article "[Wall Street's Favorite DA Candidate Donated \\$8.2 to Her Own Campaign](#)" (New York Magazine, June 15, 2021)

It would appear that the D.A. candidates you contacted – and Zephyr Teachout who you describe as “a longtime advocate for government accountability” -- have not revealed to you a more explosive issue in the Manhattan D.A. race – of which they were ALL apprised by the below June 14th e-mail entitled “**So, you want to be Manhattan D.A., here's the info & EVIDENCE in support of your whistle-blowing, NOW -- & your duty, IF elected, to present same to a Manhattan grand jury**”. It details, [with open-and-shut, prima facie EVIDENCE](#), the corruption, in office, of candidate Alvin Bragg, as chief deputy to Attorney General Barbara Underwood – as well as the corruption, in office, of candidate Quart, as a Manhattan assemblyman.

What do they each have to say about it – and how, specifically, and in the context of the e-mail's above two attachments, will the candidates be handling the public corruption duties of the D.A.'s office and its grand jury responsibilities.

I am available to answer questions – and to assist you in providing voters with information critical to their exercising an intelligent vote.

Thank you.
