I am director and co-founder of the New York-based national, non-partisan, non-profit citizens' organization, Center for Judicial Accountability, Inc. (CJA) – and deeply concerned that President Biden's four nominees for U.S. Attorney for New York will politicize their offices by NOT prosecuting public corruption involving New York's mostly Democratic public officers.

On [March 23<sup>rd</sup>](#) and [April 27<sup>th</sup>](#), I communicated this concern by written messages to the Democratic Biden White House – without response. On [July 26<sup>th</sup>](#), the Biden White House announced its first set of eight U.S. Attorney nominations – among them for New York's western district. To this, I responded by reaching out to Republican Senate Judiciary Committee Member Josh Hawley, including by the above-attached August 4<sup>th</sup> letter. In the absence of any response – and in the wake of the Biden White House's second set of eight U.S. Attorney nominations, announced on [August 10<sup>th</sup>](#) – with three for New York's other districts: southern, eastern, and northern -- I reached out to other members of the Senate Judiciary Committee's Republican minority – and then to the Senate Judiciary Committee's Democratic majority office, to its Republican minority office and to Democratic minority members. My chain of e-mails reciting what has been happening – culminating in my September 3<sup>rd</sup> e-mail, to which I have received NO response – is below.

In short, the Democratic Senate Judiciary Committee majority office does NOT answer its phones, return voice messages, or respond to requests for info and documents pertaining to President Biden's 4 U.S. Attorney nominees for New York. The Republican Senate Judiciary Committee minority office and members are only marginally better – notwithstanding the HUGE opportunity that my August 4<sup>th</sup> letter furnished them to raise essential questions about White House vetting, to topple – by the answers – New York's mostly-Democratic highest state officers in its three government branches, to demonstrate a modicum of fealty to former President Trump, and to showcase what has been

concealed, TOTALLY, by New York's "fake news"/corruption-abetting, election-rigging press – virtually all of it "left-leaning" and "progressive".

All of the above and below – with substantiating EVIDENTIARY links – are posted on CJA's website, [www.judgewatch.org](http://www.judgewatch.org), on a webpage entitled: "President Biden's New U.S. Attorneys for NY -- Will they be non-partisan enforcers of the Rule of Law and Equal Justice when doing so will require them to prosecute NY's mostly Democratic top state officers – & expose that their U.S. Attorney predecessors politicized and corrupted their own offices?" It is accessible from the website's "Latest News" top panel. The direct link is here: <http://www.judgewatch.org/web-pages/searching-federal/2021-new-us-attorneys-for-ny.htm>.

I am available to answer questions and to assist you, to the max. This is an explosive, MAJOR news story, requiring nothing more than your asking the Senate Judiciary Committee's 22 members about their knowledge of, and response to, the below and above-attached August 4<sup>th</sup> letter – and, based on my [March 23<sup>rd</sup>](#) and [April 27<sup>th</sup>](#) messages, asking the White House about its vetting and whether it will make publicly available the non-confidential portions of the questionnaires that the President's four U.S. Attorney nominees for New York were required to complete, with their listed references and supporting letters of recommendation, such being germane to their conflicts of interest.

Please let me hear from you soon.

Thank you.

**Subject:** Pres. Biden's 4 US Attorney Nominees for NY -- & the SJC's Sept. 15th oversight hearing of the FBI's "dereliction of duty" in the Larry Nassar case (a piece of a larger whole of FBI nonfeasance, misfeasance, & corruption, requiring oversight)

**RE:** President Biden's 4 US Attorney nominees for New York: Trini Ross ([WDNY – PN#931](#)); Breon Peace ([EDNY – PN #1036](#)); Damian Williams ([SDNY – PN #1038](#)); and Carla Freedman ([NDNY – PN #1042](#)).

This follows my below August 18<sup>th</sup> e-mail, with the above-attached August 4<sup>th</sup> letter to Senator Hawley – to which I received no response from anyone except counsel at the Committee's Republican minority office, Gabrielle Kenny, who called me that same day, August 18<sup>th</sup>, and, after a 20-minute phone conversation, made a phone appointment for August 20<sup>th</sup>, when we spoke for an hour, discussing the serious and substantial conflicts of interest about which
