RE: Your today's political endorsement: "Give Lee Zeldin a Chance to Bail Out New York".

I am director and co-founder of the New York-based Center for Judicial Accountability, Inc. (CJA).

Lee Zeldin can easily win, and without money, against Governor Hochul. Likewise, the Republican/Conservative candidates running against Democratic/"Progressive" incumbents Attorney General Letitia James and Comptroller Tom DiNapoli.

I have furnished you the proof by an e-mail sent a short time ago, with cc's to Zeldin, AG Candidate Michael Henry, and Comptroller Candidate Paul Rodriguez, so that you can follow-up by investigative inquiries of them -- and of the press which has been rigging New York's 2022 electoral races by suppressing ALL the fully-documented complaints I have filed against incumbents Hochul, James, and DiNapoli for corruption involving the \$220 billion state budget, pay raises (including for themselves), and New York's sham and politicized ethics and criminal authorities.

My e-mail to you is posted on CJA's website, including at: <https://www.judgewatch.org/web-pages/elections/2022/gov-race.htm>.

Please call me.

Thank you.
