I have received no response from you to the e-mail which I sent you two days ago. Please confirm -- as requested below -- and advise as to whether he has authorized you to give me his direct e-mail address.

Thank you.

Dear Mr. Harkavy,

As I have had no response from Paul Moses, please confirm that you have forwarded my various e-mail to him.

If you have not done so, please ask him whether you can give me his direct e-mail -- as originally you seemed inclined to do -- so that I can contact him directly.

Thank you.
