Subject: Implementing the Lockport Union-Sun & Journal's 6/26/16 editorial: "Albany's failures are on every elected representative" -- & making the electoral races competitive, in Niagara County & throughout the state!

TO: Joyce Miles/Managing Editor/Lockport Union-Sun & Journal

Following up our brief conversation a short time ago, bravo, again, on the Lockport Union-Sun & Journal's June 26, 2016 editorial "*Albany's failures are on every elected representative*" – even more important now than when it was written more than a year ago – as NOTHING has changed. Indeed, nothing will change until there is media scrutiny of the records, in office, of the incumbents, all of whom have perpetuated the "failures" to the detriment of their constituents – and the People of the State of New York.

That is why I have featured the June 26, 2016 editorial on the menu page of CJA's webpages entitled "**OUTING CORRUPT & COLLUSIVE INCUMBENTS & Ending their Road to Re-Election & Higher Office in 2017, 2018, & Beyond -- WITH EVIDENCE**". It is accessible *via* the FIRST prominent center link on our homepage, www.judgewidth.org. The direct link is here: <http://www.judgewidth.org/web-pages/elections/menu-ending-the-road.htm>.

The Lockport Union-Sun & Journal -- Niagara County's oldest newspaper – can lead the way, by its reporting, to empowering Niagara County voters to hold each of their elected state Senate and Assembly representatives rightfully accountable for the corruption and dysfunction that prevails in the New York Legislature and so profoundly impacts Niagara County – and the rest of the state. Niagara County's representatives in Albany – ALL OF WHOM ARE LAWYERS – consist of:

Senator Robert Ort (whose committee memberships include the Senate Committee on Local Government): <https://www.nysenate.gov/senators/robert-g-ortt>

Assemblyman Robin Schimminger (whose committee memberships include the Assembly Codes and Ways and Means Committees):
<http://nyassembly.gov/mem/Robin-Schimminger>

Assemblyman Michael Norris (whose committee membership includes the Assembly Election Law Committee): <http://nyassembly.gov/mem/Michael-J-Norris>

Assemblyman Angelo Morinello (whose committee memberships include the Assembly Codes Committee): <http://nyassembly.gov/mem/Angelo-J-Morinello>

Assemblyman Raymond Walter (whose committee membership includes the Assembly Ways and Means Committee): <http://nyassembly.gov/mem/Raymond-Walter>.

Here are the VIDEOS of what I had to say about the New York Legislature – and its committees – at the joint Senate and Assembly January 30, 2017 and January 31, 2017 budget hearings: <http://www.judgewidth.org/web-pages/searching-nys/2017-legislature/budget-hearings.htm>, at which I testified last, on each day, with no members of Niagara County delegation present for my testimony. What is their response – including to what I stated about CJA's unfolding citizen-taxpayer action, suing them for corruption with respect to the legislative budget, the judiciary budget, and the executive budget. As lawyers ALL – and one a former judge – the Niagara County delegation is are certainly able to provide Niagara County voters with intelligent comment on the pleadings and the litigation record. Was I correct in stating that the record establishes plaintiffs' entitlement to summary judgment on each of its ten causes of action?

I look forward to speaking with you again, after you have reviewed the Lockport Union-Sun & Journal's June 26, 2016 editorial – and watched the videos of my testimony before the Legislature at its January 30, 2017 and January 31, 2017 budget hearings – and at its February 6, 2013 budget hearing, as well, etc.

Thank you.
